Objective

A self-motivated and diligent individual with a strong proficiency in web development. Skilled in crafting clean, efficient, and responsive web solutions. Dedicated to delivering high-quality work and staying at the forefront of industry best practices.

Experience

Front-End Developer – FasholDotcom Ltd, Kawran Bazar, Dhaka. Jun 2024 - Present

- UI/UX Implementation – Convert designs into responsive, user-friendly web interfaces.
- Code Development – Write clean, efficient, and maintainable front-end code.
- Optimization & Performance – Improve loading speed and overall app performance.
- Cross-Browser Compatibility – Ensure functionality across different browsers and devices.
- Collaboration & Code Reviews – Work with teams, review code, and follow best practices.

Front-End Developer – TechForing Ltd, Baridhara DOHS, Dhaka. Jan 2022 - May 2024

- HRMS & Modules – Develop and manage HRMS modules like attendance and performance.
- Portfolio & Dashboard – Create company portfolio and real-time data dashboards using React.js.
- User-Centric – Prioritize user-friendly interfaces and responsive design.
- Collaborative – Work with teams for integration, write clean code, and resolve bugs.
- Continuous Improvement – Stay updated with React.js trends and innovative solutions.

Front-End Developer – FasholDotcom Ltd, Kawran Bazar, Dhaka. Mar 2022 - Dec 2022

- Developing user-facing features using React.js.
- Building reusable components and front-end libraries for future use.
- Translating designs and wireframes into high-quality code.
- API integration

Technical Skills
